An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

TO RECAPTURE A RAKE: A HEPHAESTUS CLUB NOVELLA (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A reluctant rake and a ruined woman with nothing to lose are a perfect match in this delightful comedy of manners from Christine Merrill. Vincent Wilmont, the Earl of Blackthorne, makes a point of living up to his reputation as a rake, even though his heart isn't quite in it. Indeed, his heart rests with Caroline Sydney, the ruined woman who'd gone to his bed in passion after she'd rejected his cool-headed offer of respectable marriage. A year later, she's cast him off, humiliated him in front of all of London society, all because he made the damn-fool mistake of telling her he loved her. Women. Blackthorne's public humiliation earns him admittance into the Hephaestus Club, a secret brotherhood of societal rejects, and there he swears never to marry, putting money down on the oath. When the wager provides a motivation for a smart, if skint, gentleman matchmaker to cash in, Blackthorne and the fiery Miss Sydney find themselves the starring players in a romantic farce filled with duels, declarations and passionate trysts as they rocket down a path toward a horrifyingly respectable future as man and wife.
