

Plant Protection Products: REGULATION (EC) No 1107/2009

By Stefanie Merenyi

GRIN Verlag GmbH Jun 2014, 2014. Taschenbuch. Condition: Neu. Neuware - Anthology from the year 2014 in the subject Law - European and International Law, Intellectual Properties, , language: English, abstract: Chemicals legislation is quite a vivid regulatory arena. As is the case in the science of Chemistry itself there is also no standstill in chemicals legislation. Most of the relevant regulations are subject to chronic revisions. In order to keep up with the actual legislation beyond the efforts of a looseleaf- collection the series CSL: Consolidated Substances Legislation has been created. It offers a firm outline regarding the different fields of substances legislation (besides the general substances legislation like REACH also cosmetics legislation, etc.) and provides users with the relevant legislative texts in an actual and consolidated manner. I.e. starting from the original regulation all modifications can be found at their respective position within the legal text. Therefore, the need for a detailed compilation of each and any corrigendum, amendment and adaptation to the technical progress can be reduced to a minimum. The area of substances legislation is both a fascinating and demanding legal field that can hardly be compared to any other, as its regulations create direct effects...
