## RECIPE FOR PLEASURE (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Colton Michaels is a go-getter. For as long as he could remember he had known he wanted to be a chef and run his own restaurant. Not even 25 and his dream is now a reality with the opening of Flavour. So much so that his place is THE place to be seen eating. When it comes to women he s just as determined to have the perfect one for him in his life. And he knew the moment he met/hired his hostess that he wouldn t need to search anywhere else. Ashley Frost has been described for most of her life as mousy, and that was even if she were noticed. Her BBW curvy body used to hold back her confidence. Having had a wonderful childhood with parents that doted on her, she proved to be a strong woman when she survives risky brain surgery for a tumor, then upon release from the hospital loses her only family to a horrific car accident. Working at Flavour has been very good for her. When Colton began to show an interest in her, she hesitated dating him at first, thinking a work relationship wasn t a good idea. But he managed to convince her that they could work through any problem that was thrown at them. Now, Colton wants to take their relationship to the next level, but Ashley wants to make sure it s not something fleeting with them. Could a third tragedy in her life put a roadblock on the path of where they were heading?.
