Sun Dogs Creations, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Assisi was the home of several saints, including Agnes of Assisi, Gabriel of Our Lady of Sorrows, Rufinus of Assisi, Vitalis of Assisi, Sylvester of Assisi, and St. Francis himself. The pink stones used to build many of the Franciscan buildings were quarried from Monte Subasio, the mountain on which the city was built. Since the residents of Assisi have continued to hold onto their traditional lifestyles, the town offers so much more. High atop a slope overlooking Assisi is the imposing Rocca Maggiore, an imperial fortress reconstructed by Cardinal Albornoz and expanded by Popes Pius II and Paul III. Hidden beneath the streets is the Roman Domus of Propertius with its frescoed walls. Archaeologists have also preserved the Domus of Lararium, which sports a marble floor mosaic and a covered port with Pompeian decorations. Today Italy in general and Umbria in particular are striking places for tourism with unique architecture, a mild climate, and Mediterranean culture. The cuisine is renowned, and fresh pasta dishes spiced with tomatoes, meats and fish, pecorino and parmesan cheeses, and olive oil can be found at inexpensive restaurants. Travel tips and facts about wildlife, food, rental cars, camping, adventures, travel and tourism, cultural tours and more are easy enough to find on travel sites like Expedia or Travelocity. Entire trips can be planned using guidebooks like those from Lonely Planet. Now visitors to Italy can expand their knowledge base with an artist's view of Assisi, Monte Subasio, and nearby villages. The forty full-color photographs in Ancients of Assisi I and the additional forty color pictures in Ancients of Assisi II were taken at the Basilica di San Francesco, including the Basilica inferior and the Basilica...
