Amazon Publishing, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. With her inexpensive luggage crammed full of gorgeous clothes, Los Angeles-based copy editor Katherine Callahan takes off for a one-week dream vacation in San Francisco with only one thing on her mind, to have the time of her life in the beautiful City by the Bay. But first, she has to get there! Katherine is not a good flyer on a good day, and the plane flies into very rough weather. They land in San Francisco in the middle of a blinding storm, and she has to share a cab into the city with an arrogant sheep rancher from Montana. If all that weren't bad enough, she arrives at the hotel only to find their suitcases have gotten mixed up, and the cowboy has all of her beautiful clothes! The sheep rancher's name is Michael Gordon. Only he isn't a sheep rancher, he's a well-known San Francisco surgeon. From the moment Michael and Katherine get together, it's a case of mistaken identity, and sparks fly in all directions. There is no way he is going to get involved with a sophisticated woman, and she's not about to get involved with a cowboy! Will love outlast the masquerade?.
