Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Police Sergeant James Weston had not expected his house sitting duty in the historic Cranstead Hall to include an encounter with a gun-toting cat burglar. Clare Armitage had a wild imagination and a penchant for romantic novels. As temporary Girl Friday at the Hall, she was convinced of shady dealings. She wasn't burgling, she was investigating, and she hadn't foreseen getting caught by the best looking man she'd ever met. The attraction which sparked between them was mutual, but for James things could never be that simple. He might seem single and available, but his family life was complicated and revealing all too soon might spell instant death for any relationship. It only took a few tumultuous encounters before he knew he was hooked and he decided to build on this attraction, before telling the whole truth. Then Clare found out what he'd been hiding! But life has a way of taking things with one hand and giving them back with the other.
