Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ken Watsica)

THE CARTOGRAPHER TRIES TO MAP A WAY TO ZION

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Cartographer Tries to Map a Way to Zion, Kei Miller, WINNER OF THE 2014 FORWARD PRIZE FOR BEST COLLECTION In this collection, acclaimed Jamaican poet Kei Miller dramatizes what happens when one system of knowledge, one method of understanding place and territory, comes up against another. We watch as the cartographer, used to the scientific methods of assuming control over a place by mapping it, is gradually compelled to recognize--even to envy--a wholly different understanding of place, as he tries to map his way to the rastaman's eternal city of Zion. As the book unfolds the cartographer learns that, on this island of roads that "constrict like throats," every place-name comes freighted with history, and not every place that can be named can be found.
