EVALUATION AND PLANNING MANUAL: A DISCIPLINED METHOD FOR EVALUATING YOUR CONGREGATION AND PLANNING A FUTURE

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.How successful is your congregation as a multi-generational congregation, united in love of the Lord, joyful worship, and service to a broken world? Good planning needs a clear understanding of the problems and opportunities so have a church team use the Manual s challenging yet realistic evaluations to evaluate your strengths and weaknesses and begin planning for the future to which God is inviting you and your new members! The First Evaluation is taken from a study by the Hartford Institute for Religious Research on factors that predict growth or decline in churches. We selected the best predictors of growth for the Manual. These elements involve the congregation s mission and purpose, its vitality and spirituality, its willingness to meet new challenges, the nature of the main worship service as being joyful rather than stilted, and whether the members are involved in outreach. Your evaluation team s members each rate the present performance of the church and develop a joint value as a baseline to measure future results. Throughout your time together team members also use a personal notebook to record insights for improvement actions that will be invaluable in later planning sections. The Second Evaluation utilizes 10 factors which characterize the culture of the younger generations from Dr. Johnson s book Where have all the Young People Gone (2012). Your team discovers how social interaction between older church members and the younger generations might create some discomfort and works to proactively identify possible solutions. The Third Evaluation is similar to the second in that it addresses the young people s cultural values, but here they are taken from a college chaplain s advice regarding how to get...
