That the Otherworld was closer for you than it is for other folk? Have you ever wondered how you can tap into the wild, untamed magic of your own faery heart? Then this book is for you. Once upon a time Fey meant both the spirits of the natural world and the nature of those humans that were in touch with that magic in themselves; the seers, the spirit workers, the ones who walked between. This is your guide to finding that Fey magic which sings in your heart. Through this book you will meet your guide, visit faeryland, learn about the beings of the faery worlds and develop your own faery craft to work in harmony with the power and cycles of the earth by unlocking the nature of your Fey spirit. Time for you to become the Fey you truly are.
