*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Children s Book Press (CA), 2016. Paperback. Condition: New. Bilingual. Language: English,Spanish . Brand New Book. Antonio loves words, because words have the power to express feelings like love, pride, or hurt. Mother s Day is coming soon, and Antonio searches for the words to express his love for his mother and her partner, Leslie. But he s not sure what to do when his classmates make fun of Leslie, an artist, who towers over everyone and wears paint-splattered overalls. As Mother s Day approaches, Antonio must choose whether -- or how -- to express his connection to both of the special women in his life. Rigoberto Gonzalez s bilingual story about a nontraditional family resonates with all children who have been faced with speaking up for themselves or for the people they love. Cecilia Concepcion Alvarez s paintings bring the tale to life in tender, richly hued detail.
