PRIVATE GUNS, PUBLIC HEALTH (PAPERBACK)

DOWNLOAD

The University of Michigan Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. In this small book David Hemenway has produced a masterwork. He has dissected the various aspects of the gun violence epidemic in the United States into its component parts and considered them separately. He has produced a scientifically based analysis of the data and indeed the microdata of the over 30,000 deaths and 75,000 injuries which occur each year. Consideration and adoption of the policy lessons he recommends would strengthen the Constitutional protections that all of our citizens have to life, liberty, and the pursuit of happiness. -Richard F. Corlin, Past President, American Medical Association This lucid and penetrating study is essential reading for anyone who wishes to understand the tragedy of gun violence in America and-even more important-what we can do to stop it. David Hemenway cuts through the cant and rhetoric in a way that no fair-minded person can dismiss, and no sane society can afford to ignore. -Richard North Patterson, novelist The rate of gun-related homicide, suicide, and accidental injury has reached epidemic proportions in American society. Diagnosing and treating the gun violence epidemic demands the development of public health solutions in conjunction with legislative and law enforcement strategies. -Kweisi Mfume, President and CEO of NAACP In scholarly, sober analytic assessments, including rigorous critiques of NRA-popularized pseudoscience, David Hemenway constructs a convincing case that firearm availability is a critical and proximal cause of unparalleled carnage. By formulating such violence as a public health issue, he proposes workable policies analogous to ones that reduced injuries from tobacco, alcohol, and automobiles. -Jerome P. Kassirer, Editor-in-Chief Emeritus, New England Journal of Medicine, and Distinguished Professor, Tufts University School of Medicine As a former District Attorney and Attorney General, I know the urgency of...
