Who is the source of peace that comes from having an open heart? Barefoot With Jesus Trilogy: Volume II is the true story that inspired the 2007 novel Climbing the Mountain Barefoot With Jesus. This evangelizing memoir encapsulates an abiding love for Christ and His Apostolic Church. It highlights joy in charity and suffering and magnifies moments when our Lord undeniably reveals Himself through prayer, adoration, the seven Sacraments and the Mass. See the manifestation of Christ within the clergy, religious and a multitude of loved ones who help increase our faith. Revolving around family life and the essence of stewardship is the very heart of the story: our indisputable belief in the Real Presence of Jesus in the Eucharist. Understand what Jesus truly meant when He said, This is My Body.This is My Blood. Scripture verses from the New American Bible Saint Joseph s Edition are transcribed verbatim; not watered down nor paraphrased. May each dearly loved reader who is willing to dissect and digest this narrative discern God s call to do whatever He tells us. Reviews: Rev.
