I was inspired to write this several years ago when I was watching a television program and one of the characters in the program said that there was no God or angels and then it hit me like a bolt of lightning. My story Alpha and Omega is a super natural action based story which draws its background from the Holy Bible and will open with the beginning in Heaven and the ongoing creation of Earth. However, sin begins with an angel named Lucifer who would soon become known as Satan which sparks the war in Heaven between the angels loyal to God and those angels loyal to Satan. This first war will lead Archangel Michael to face off against Satan in an epic struggle between good and evil. Alpha and Omega will end with Jesus return leading God s army of angels against Satan s army of demons which will also lead to the final climactic battle...
