

Everyday Arithmetic, Vol. 2 (Classic Reprint)

By Franklin S Hoyt

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Everyday Arithmetic, Vol. 2 This book, which is intended for use in the fifth and sixth grades, completes the study of the essential processes in arithmetic and provides a variety of practice in their application to everyday problems of inherent interest to pupils. Skill in the use of the essential processes is rightly demanded of graduates of our elementary schools. To this end, the most careful attention has been given to the organization of this series of books, in order that the pupils may attain an automatic and accurate use of numbers. This has been done by following closely the action of a child's mind in his approach to a new topic, by giving him the most economical way of performing each process, and by providing an abundance of practice in carefully graded exercises and reviews. To bring the work into close relation with actual conditions in life, the problems provided in these books have been based upon data taken from the everyday experiences of children. In the preceding book, the immediate interests of...
