It hurt her to learn that what she thought was her happily ever after was in fact not. Rowan begins a journey of self discovery when she finds herself falling in love for the very first time. The feelings elicited in her are beyond anything she has ever felt for another person and that included Dex. Would she allow her heart to lead her or would her mind object? Falling in love is not just about making your life special; it is about making each other s life special with love. Falling in love is not just about holding hands and walking on the beach but about giving each other the feeling of being in an inseparable bond.
