McFarland & Co Inc. Paperback. Book Condition: new. BRAND NEW, Sydney Pollack: A Critical Filmography, Janet L. Meyer, "Jeremiah Johnson", "The Way We Were", "Absence of Malice", "Out of Africa", "Tootsie", "The Firm", and, "Searching for Bobby Fischer" - Sydney Pollack has produced, directed or appeared in some of the biggest and most influential films of the last quarter century. His emergence in Hollywood coincided with those of such other innovative directors as John Frankenheimer, George Roy Hill and Sidney Lumet, and with them he helped develop a contemplative style of filmmaking that was almost European in its approach but retained its commercial viability. Film-by-film, this work examines the directorial career of Sydney Pollack. One finds that his style is marked by deliberate pacing, ambiguous endings and metaphorical love stories. Topically, Pollack's films reflect social, culture and political dilemmas that hold some fascination for him, with multidimensional characters in place that generally break the stereotypical molds of the situations. Pollack's directing efforts on television are also detailed, as are his production and acting credits.
