

Science in Action - Let's Move

By Harrison, Patricia; etc.

Folens Publishers UK, U.S.A. Hardcover. Book Condition: New. Science In Action is a science course for primary schools which enables pupils and teachers to investigate the scientific elements of both their local environment and of the wider world. There are seven units in all - one unit for each year group from Primary (age 4-5) through to ages 10-11. Each unit is divided into four popular themes and comes complete with pupil materials and a Teachers' Resource Book per theme. The Teachers' Resource Books provide advise, cross curricular ideas, photocopiable activity sheets and a useful pupil assessment program which can be used to record each child's progress. Science in Action - Let's Move (Primary/Junior - Ages 6-7).

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).
