

## INVESTING IN MUNICIPAL BONDS: How to Balance Risk and Reward for Success in Today's Bond Market (Hardback)

By Philip Fischer

McGraw-Hill Education - Europe, United States, 2013. Hardback. Condition: New. New. Language: English . Brand New Book. Maximize profits with the perfect balance between risk and reward. Municipal bonds have traditionally given investors a reliable investment while providing state and local governments with an essential tool for funding public infrastructure projects. Now, the threat of municipalities defaulting and dramatic changes to the muni market's fundamental operations have created an attractive hotbed of opportunity for today's top institutional investors. Investing in Municipal Bonds is the retail investor's road map to the lucrative market that is fueling the digital and physical highways of the future. Only Dr. Philip Fischer can offer such a brilliantly practical amalgam of big-picture financial theory and nuts-and-bolts bond calculations. His crystal-clear explanation of the muni market covers every aspect, including the various personalities and traits of different types of bonds. His hands-on strategies for earning more from your money will keep this book at your fingertips as you customize a profitable municipal bond portfolio to achieve your financial goals. Political and business leaders as well as financial professionals seek Dr. Fischer's knowledge and firsthand insights into municipal securities, from day-to-day trading to milestone...

### Reviews

*This book will be worth getting. Better than never, though I am quite late in starting to read this one. It has been written in an extremely basic way which is only right after I finished reading this book through which actually altered me, alter the way I believe.*
