Oldcastle Books Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. The dead walk. Putrid corpses claw their way out of earthy graves and stumble towards civilization. They are bloody, rotting, and hungry for human flesh--and it's all George Romero's fault. With 1968's *Night of the Living Dead* Romero unleashed the modern zombie onto cinemas, annihilating their voodoo roots and resurrecting them as passed away friends and dead loved ones. Its sequel, the zombies in a mall masterpiece *Dawn of the Dead*, took Romero's apocalyptic nightmare further. Its frank depiction of bloodshed changed horror cinema forever and paved the way for such recent offerings as *Shaun of the Dead* and *28 Days Later*. But there is more to Romero than just the living dead. He reinvented the vampire in *Martin*, took on the American military in *The Crazies*, and has collaborated with horror legend Stephen King on both *Creepshow* and *The Dark Half*. Even today films like *Land of the Dead* have proven Romero to be a fearless anti-establishment filmmaker. He's a maverick--a man who frequently directs outside of the Hollywood mainstream, allowing his films to work as both chilling frightfests and impassioned comments on the American psyche.
