## RESISTING REFORM?: WATER PROFITS AND DEMOCRACY

Sage Publications, New Delhi, India, 2009. Paperback. Book Condition: New. First Edition. A wide range of people and organisations, united by either a belief in market-based economics or a financial stake in the water business or both, are convinced that water should primarily be treated as a commodity to be bought and sold so that all water services can cover their costs. To this end, they advocate private ownership of water supply with the underlying objective of profit generation. Unfortunately,...
