A new and quickly popularized field of collectibles is lady head vases which were manufactured in the 1950's to the middle 1960's and sold by florists. the vases for the most part were made of semi-porcelain and the vast majority were produced in Japan, but occasionally one marked USA can be found. This book has over 300 charming lady head vases illustrated in color. Collecting tips and a price guide are also included. These glamorous, ceramic, cutesy figural vases got their start in florist shops during the 1950s and again in the middle 1960s.
