EARLY CARRIAGES AND ROADS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Early Carriages and Roads In the Eastern counties, and no doubt elsewhere in England, our ancestors used the water-courses and shallow stream beds as their roads. This is clear to anyone who is at pains to notice the lie and course of old bye-ways and it is equally clear that a stream when low offered a much easier route to carts, laden or empty, than could be found elsewhere. The beds of the water courses as a general rule are fairly smooth, hard and gravelled, and invited the carter to follow them rather than to seek a way across the wastes. In process of use the banks and sides were cut down by the wheels or by the spade; and eventually the water was diverted into another channel and its old bed was converted into a road. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
