Xulon Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Biography I wrote the fictional book of Methuselah with the purpose of showing why man brought the judgment of the flood upon himself. I decided to write this story after 30 years of thinking about Methuselah. When I first started to piece together what Methuselah saw, who influenced him and who he influenced I became in awe of his life. Nine out of ten names in the book of Methuselah are taken from three different books, the Bible, the Book of Jubilees and the Book of Enoch. I believe that the evil conditions found before the flood that brought the judgment of God upon the earth is manifesting itself in the world in which we live today. Judgment is coming, but God is longsuffering and has given us a way to escape the wrath to come just as he did before the great flood. Endorsements This is an amazing alternative to Harry Potter. Tom M. What an exciting movie this would make. Brad W. This is true history with added imagination. Aaron P. For anyone who believes in creation this is a must read. John T. Book Summary Find yourself seeing the world before the flood through the eyes of the oldest man that ever lived. Experience all of the patriarchs and their time slot in history. Watch how the world slips into the condition we find ourselves today. As it was in the day of Noah.
