Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Kingdom of Sieunes is rife with taverns, dirty streets, and clay pipe smoking citizens all toiling to feed their families and keep themselves in something little better than rags. With a foiled revolution just ten years prior still burning in the hearts of many, the royals enlist the aid of assassins to keep things in order. The townsfolk entertain themselves by dreaming of better times to come and regaling in stories of the undead said to walk the graveyards at night. and of Cameo the killer with corpse-like eyes. Scarred and jaded Cameo is one of the most effective assassins in the employ of the Association, moving from one mission to the next as long as the alcohol keeps flowing. Her acceptance of the murder-for-hire lifestyle is thrown into doubt when she meets a local highwayman with a penchant for fine clothes and women, and then she begins to think about breaking with the company but no one ever breaks with the Association under good terms.
