Hodder Stoughton General Division, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. Don't just celebrate - bake! With recipes by Mary Berry and Paul Hollywood, and from this year's Bakers, this beautiful book is a celebration of everything we love about Bake Off. From family meals to birthday parties, home-cooked teas to the big dates in the community calendar, nothing says celebration like a home-made bake. So this year, we have devoted our book to recipes that will help you make the most out of every occasion no matter how large or small. There are fantastic centrepieces for the times when you need to make a real show stopper - a Midsummer Celebration Cake or a 16 Layer Mocha Torte - as well as simpler recipes like a Citrus Madeira or White Chocolate Butterscotch Blondies for when all you want is a delicious failsafe bake to welcome unexpected visitors. The Judges recipes provide the perfect excuse to impress whether it's serving your own freshly made bread or whipping up a batch of handmade biscuits, whilst the Bakers recipes will inspire you with their creativity and ingenuity. Introducing new flavours and techniques, the recipes are a show case for how bakers embrace different ideas and ingredients from around the world. Whatever occasion, we hope this book will encourage and inspire you to celebrate for yourselves everything that we love about baking.
