Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My name is Nick Howard. I was born on January 26, 1918. I grew up in Louisville, Kentucky, and my whole life has been lived just like a regular young adult in the US. That is, aside from my back story. My mom sent me this journal to write whatever I want in. She also sent me an attached letter that stated: Hi honey, how are you? I have been worrying a lot about you because of the war. People die out there and we don t know if you will come back home to us after it s all over. Just remember, the whole neighborhood has your support on this and we all cannot wait to see you again. - Love, Mom and Dad.
