Reviews

*It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).
(Matteo Torp)*

METAL LACE

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.18+ MATURE AUDIENCES ONLY. This books contains sexual situations, strong language, some drug use, and serious subject matter. This isn't who I am. I've never been what you considered the take-home-to-your-mama type. F*ck, I usually don't even stick around past the next morning. For as long as I can remember, I've lived by no one's rules but my own. On the edge of destruction, my life has been an obscure, drug-induced haze of hard partying, random groupies, and Metal. Now, there's Lacey. Ever since I saw her uptight ass, I've wanted to pound the prude right out of her. She was just supposed to be a fun lay. Now, she's turning my world on its ass. What the f*ck is wrong with me? Whatever it is, she's making me want things, different from what I've had, different from what I thought I wanted. Thing is, I'm not sure if I'm ok with that. Find out what happens when Gunnar Haze, rock god, meets Lacey, a music critic with a broken heart and an eye for bad boys. With the type of heat that will melt your panties right off, opposites will attract and collide. This is a standalone in a series of standalones.
