Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

Harlequin, 2016. Paperback. Condition: New. Language: English . Brand New Book. The unsolved case that once tore a sheriff's town apart had resurfaced, threatening both his baby girl and a beautiful witness. When two children go missing, every parent's worst fear becomes Sheriff Cooper Sloane's reality. The single father doesn't have a minute to waste, and only a single lead: Kendall Rush. Her return to Timberline stirs up a lot of town chatter, since she was at the center of a similar case twenty-five years ago. Despite Kendall's tragic past, Cooper is more than willing to play the bad guy. But he couldn't prepare himself for her vulnerability, or determination. As the kidnapper's taunts turn horrific, Cooper and Kendall must stop this sick game before it hits even closer to home.
