John Wiley and Sons Ltd, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Selfhood, Identity and Personality Styles is an interdisciplinary study that describes a new perspective on psychopathology based on the search for the source of personal meaning and identity. The opening section develops a first-person approach to selfhood and personal identity, discussing relevant topics in personality and social psychology, developmental psychology, psychology of emotions and neuroscience. The second part presents five different personality styles distinguished on the basis of their emotional inclinations: Eating Disorder-prone, Obsessive-Compulsive prone, personalities prone to Hypochondria-Hysteria, Phobia prone and Depression-prone. The classification based on affectivity makes it possible to illustrate the continuity between the study of personality and that of psychopathology. Their analysis of functioning leads to the specification of inward and outward dispositional dimensions and using clinical and...
