Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

IN THE FOURTH YEAR (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the Fourth Year is a collection H.G. Wells assembled in the spring of 1918 from essays he had recently published discussing the problem of establishing lasting peace when World War I ended. It is mostly devoted to plans for the League of Nations and the discussion of post-war politics. Wells states in his May 1918 preface that the notion of a War to End War had seemed Utopian when he advanced it in 1914, but that in 1918 it had achieved an air not only of being so practical, but of being so urgent and necessary and so manifestly the sane thing before mankind that not to be busied upon it, not to be making it more widely known and better understood, not to be working out its problems and bringing it about, is to be living outside of the contemporary life of the world. In the Fourth Year contains eleven chapters on the League of Nations, Allied war aims, and political institutions.
