

Veterinary Obstetrics: A Compendium for the Use of Students and Practitioners (Classic Reprint) (Paperback)

Filesize: 5.83 MB

Reviews

An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It has been printed in an exceptionally easy way in fact it is simply following. I finished reading this publication in which really modified me, modified the way I think.

(Mr. Keyshawn Weimann)

VETERINARY OBSTETRICS: A COMPENDIUM FOR THE USE OF STUDENTS AND PRACTITIONERS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Veterinary Obstetrics: A Compendium for the Use of Students and Practitioners In offering this little volume to the Veterinary Profession of America, it is not my desire to encourage the student in the neglect of the more voluminous works on Veterinary Obstetrics, but more with the idea of aiding him, when time is an object, in reviewing his studies on the subject. It is with the hope, also, that it may be of service to the busy obstetrician, in refreshing his memory when quick reference is required, or when larger works may be inaccessible. In the preparation of this compendium, the following literature has been consulted, and, in several of the sections, somewhat freely quoted: Fleming s Obstetrics, Chauveau s Comparative Anatomy (Fleming), Vade Mecum of Equine Anatomy (Liautard), Friedberger Frohner s Pathology and Therapeutics of the Domestic Animals, Moller s Surgery, Journal of Comparative Pathology and Therapeutics (McFadyean), articles in published reports of the U.S. Department of Agriculture (Law); and I am much indebted to my friend Mr. John Renfrew, M.R.C.V.S., of Glasgow, Scotland, for numerous and copious notes. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
