Reviews

It is great and fantastic. Better than never, though I am quite late in starting to read this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.

Barron's Educational Series Inc., U.S. Paperback. Book Condition: new. BRAND NEW, Complete English Grammar Review for Spanish Speakers, Theodore Kendris, Students of English whose first language is Spanish will find this book ideal for study and test preparation. Following an introductory chapter that offers study advice and tips on correct English pronunciation, the author devotes nine chapters to the examination of English verbs in all tenses, moods, and voices. Succeeding chapters cover nouns in the nominative, possessive, and objective cases, articles, adjectives, adverbs, comparatives and superlatives, prepositions, pronouns, numbers, and interjections. The final chapters put the different parts of speech together to demonstrate sentence structure and correct English language punctuation. Each chapter is packed with exercises designed for self-study. An answer key helps students evaluate their understanding of the material. The book's additional features include regular and irregular verb tables and a vocabulary list.
