Completely essential go through ebook. It can be written in basic phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

We have divided this book into 3 chapters; Chapter 1: 84 Work sheets to practice the different language skills. (grammar, vocabulary, spelling, reading, speaking and listening, and research) Chapter 2: 28 Game ideas to actively practice the different skills. (speaking and listening, reading and writing, vocabulary building, grammar skills, as well as a few action games) Chapter 3: 30 Discussion topics to have great conversations. (the discussion topics have been taken from our Creative English Role-playing Activities series, and can be used on a stand-alone basis) There is a comprehensive answer section, with notes on how to use the worksheets in the back of this book. However you use the book, we hope that it will support you; in teaching English, creating a more interactive class environment and to create a deeper understanding and appreciation of this great language with your learners. We hope you will enjoy this book as much as we do using it in our classes. (this book has been created for Active English teachers, and is 100 copiable).
