THOSE ADAPTABLE TO CHANGE (PAPERBACK)

Dog Ear Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Troy is a young lab technician who stumbles upon three less-than-ordinary stones in a pouch. The origins of the stones date back to Darwin's expedition off the islands of South America's Terra Del Fuego. Each stone holds significant power. Red is passion, blue is knowledge, and green is power. The bearer of each stone shall harness its power and receive its reward. Follow along in this suspense thriller that combines a Darwin twist of adaptation and change in a modern-day human society. Armando Schuppe is a first-time author with a bachelor's degree in history from SUNY Empire State College, Saratoga Springs, New York. Originally from East Meadow, Long Island, he currently lives in Orange County, New York. He is father to three wonderful children: Craig, Brittney, and Tommy. He is an avid fan of museums and music, and he is an admirer of Darwin's theory of natural selection, the origins of species, and the theory of evolution. The inspiration to write this suspense thriller follows Darwin's belief of how species adapt to their environment. These influences allowed Schuppe to write a fictional interpretation of adaptability and change in humankind.
