

A Primer of Spoken English (Paperback)

Filesize: 1.71 MB

Reviews

The book is fantastic and great. It generally does not expense excessive. Its been designed in an exceptionally easy way and it is simply right after i finished reading through this book by which really changed me, change the way i think.
(Adolfo Lindgren)

A PRIMER OF SPOKEN ENGLISH (PAPERBACK)

DOWNLOAD

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We heartily recommend this scholarly little book to the notice of everyone who takes an intelligent interest in the English language, and who wants a clear and systematic account of our language as it is spoken at the present day. The book before us, small as it is, is well worthy of attention, as it is a first attempt to bring before the intellectual consciousness of Englishmen the phonetic character of the language they are speaking and hearing every day of their lives. In this respect it may be said to be an epoch-making book. There are scores of Spelling Books, Accidences, Grammars, and other Philological Works, treating of the English language as it exists on the written page; but this is the very first book which attempts to give the plain, ordinarily educated Englishman, without unnecessary technical detail, an absolutely faithful picture - a phonetic photograph - of our language as it is now spoken by educated people. In 1886 the Clarendon Press published Mr. Sweet's Elementarbuch des gesprochenen Englisch, a work intended mainly, as its title implied, for the instruction of the German student. And now at last we may welcome an English Primer on the same subject, so that we may really hope soon to know almost as much about the language we speak as any average German doctor of philosophy. The Elementarbuch has met with well-deserved success in Germany; and we have reason for believing that in that country it is universally held to be an unimpeachable authority on the subject it deals with. We have no doubt that in time the Primer will meet with like success in England. Before long it will be...
