She s getting to know her roommate, throwing parties, doing the things that most college freshmen do. She s also been invited into a secret club, where students learn to control and unleash their innate magical abilities. Learning about magic was great at first, but when people start dying, seemingly killed by magic users, Emma s peaceful college existence gets a whole lot more complicated. and deadly. In this coming of age urban fantasy tale, a young woman named Emma Dawes learns that she has magical powers, and is suddenly thrust into a world of excitement and danger as she is recruited into her new school s magic club. She is simultaneously discovering herself while she discovers the art of elementalism, and she quickly realizes that neither is less complex and difficult than the other.
