Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Everyday Objects is the definitive collection of the poems written by Mark David Major (author of Mars Rising and The Persistence of Memory and Other Plays) over a 25-year period from 1987 to 2012. The book brings together many previously published poems including beloved ones such as Pale Bloom and Empty Words and more provocative offerings like God s Feast and Purchased Inertia. Everyday Objects collects these together with a number of never-before-seen poems representing underground experiments in free verse, extended haiku structures, and what the author describes as antithesis poetry, whereby a new poem or additional stanzas are composed using antonyms, contrasting terms, phrases and/or clauses to generate a (sometimes radically) different interpretation on the subject. Everyday Objects represents a poet at the height of his powers in crafting language to create new meanings and poetic interpretations.
