---

By Kenneth Basile

Schiffer Publishing Ltd. Hardback. Book Condition: new. BRAND NEW, Maryland Landscapes, Kenneth Basile, Take a photographic journey across Maryland. From its beaches on the Atlantic coastline and the Chesapeake Bay to the fall colours of the mountains of western Maryland, 48 images provide a beautiful overview and an appreciation of the many interesting facets of this geographic region. In the early 1970s, this peninsula was relatively untouched by the housing and business sprawl that rapidly developed around the Baltimore-Washington, D.C. corridor. This book shows not only the landscape in all its magnificent glory, but also the connection that has developed between the built environment and the natural environment throughout the Old Line State. Residents and visitors alike will enjoy this keepsake.
