Scarecrow Press. Paperback. Condition: New. 264 pages. Dimensions: 8.4in. x 5.3in. x 0.6in. Multiracial America addresses a growing interest in interracial people and relationships in America. Over the past decade, there have been numerous books and articles written on interracial issues. Despite the rampant growth in publishing, locating these often-scattered and inaccessible materials remains a challenge. This resource guide provides easy access to the available literature. Topical chapters on the most often researched themes are included, such as core historical literature, books for children and young adults, hot-button issues (passing, identification, appearance, fitting in, and blood quantification), interracial dating and marriage, families, adoption, and issues pertaining to race and queer sexuality. Each chapter includes a brief discussion of the literature on the topic, including historical context and comments on the breadth and depth of the available literature, and followed by annotations of books, popular and scholarly journals, magazines, and newspaper articles, videosfilms, and websites. Other useful sections include a chapter on the depiction of interracial relationships in film, teaching an interracial issues course, and how to search for materials given changing terminology and classification issues. Indexes by race and non-print media are included. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
