POST-BORDERLANDIA: CHICANA LITERATURE AND GENDER VARIANT CRITIQUE (PAPERBACK)**DOWNLOAD PDF**

Rutgers University Press, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Bringing Chicana/o studies into conversation with queer theory and transgender studies, *Post-Borderlandia* examines why gender variance is such a core theme in contemporary Chicana and Chicana narratives. It considers how Chicana butch lesbians and Chicana butch lesbians and Chicana trans people as not only challenging heteropatriarchal norms, but also departing from mainstream conceptions of queerness and gender identification. Expanding on Gloria Anzaldúa's classic formulation of the Chicana as transformer of the borderlands, Jackie Cuevas explores how a new generation of Chicana writers, performers, and filmmakers are imagining a post-borderlands subjectivity, where shifting national, racial, class, sexual, and gender identifications produce complex power dynamics. In addition, Cuevas offers fresh archival analysis of the Chicana feminist canon to reveal how queer gender variance has always been crucial to this literary tradition.
