## POST-DOCTORAL SEMINAR ON SPECTRAL CURVATURE AND SPECTRUM OF CURVATURE

Condition: New. Publisher/Verlag: Editorial Académica Española | Mexico-Ukraine-Russia Post-Doctoral Seminar | Through consider a Riemannian manifold as a classes space  $G/H$ , where  $G/H$  is a space of left and right invariant classes modulo an isotropy subgroup  $H$ , are studied and developed methods in integral geometry to measure the curvature of  $G/H$ , through their orbits, cycles, co-cycles, field ramifications, etcetera, obtaining geometrical invariants as images of integral transforms that define the topological nature of the space. Several of these geometrical invariants...

### Reviews

*Very useful to any or all group of folks. It really is rally interesting through reading through period of time. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Mrs. Dorris Wintheiser**

*This written ebook is excellent. It is amongst the most awesome ebook i have study. You will not truly feel monotony at whenever you want of the time (that's what catalogs are for regarding if you ask me).*

-- **Devante Langworth IV**
