Roselynn Rose Morgue is in love. That sounds good on the surface, but nothing about Rose s life is ever simple. The object of her affection is not only her stalker, he s also supposed to be dead, and that little fact throws a wrench in her plan to reinvent herself. You see, Rose is far more twisted than anyone would ever believe, and will do whatever it takes to ensure no one ever finds out the truth about her past. But when a series of murders begin, Rose s secrets rise to the surface, and one extremely pissed off secret can t wait for her to get what she deserves. *Trigger Warning* Bad Sh*t happens. This book will not entice warm fuzzy feelings.
