STYLE: THE ART OF WRITING WELL (PAPERBACK)

style /stīl/ n.

STYLE is a noun by which a human being gives content with others. It is generally defined in words, but it may be embodied in speech. The fundamental thing, therefore, is not technique, and it might just as well be said to mean that which is the result of the writer's own writing. If you wish your writing to give your audience more to read, authors may sell their books but they give themselves away. — F. L. LUCAS
