State of the World: Transforming Cultures: From Consumerism to Sustainability: A Worldwatch Institute Report on Progress Toward a Sustainable Society

By The Worldwatch Institute

W. W. Norton & Company. Paperback. Condition: New. 272 pages. Dimensions: 9.1in. x 6.9in. x 0.7in. The premier environmental nonprofit shows the ways to transform our consumer culture into a culture centered on sustainability. For society to thrive long into the future, we must move beyond our unsustainable consumer culture to one that respects environmental realities. In State of the World 2010, the Worldwatch Institutes award-winning research team reveals not only how human societies can make this shift but also how people around the world have already started to nurture a new culture of sustainability. Chapters present innovative solutions to global environmental problems, focusing on institutions that are the principal engineers of culture, such as governments, the media, and religious organizations. Written in clear, concise language, with easy-to-read charts and tables, State of the World presents a view of our changing world that we, and our leaders, cannot afford to ignore. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

Completely among the best pdf We have at any time study. We have study and i am sure that i am going to likely to read yet again once again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Penelope O'Conner DDS**

Without doubt, this is the very best work by any writer. Indeed, it can be play, still an amazing and interesting literature. I am just very easily can get a pleasure of reading through a written pdf.
