800 Measurable IEP Goals and Objectives: For Use in K-12 Classrooms

By Chris de Feyter

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 98 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Now includes iPad SMART Goals and new material for even better determination and intervention of diverse student needs. Chris de Feyters 3rd edition of 800 Measurable IEP Goals and Objectives for use in K - 12 Classrooms includes a collection of 1000 SMART Goals that can be used to address diverse student learning, behavioral and developmental needs in general education and special education. With some adjusting, these goals can also be used in Home Schools. Carefully crafted measurable Smart Goals can assist any educator and collaborative team to address needs of students. All Goals have been categorized following the headings below rather than focusing on for example math or English Language Arts. In this book, find goals in the following areas of development: Academic; Personal and Social well-being; Communication and Augmentative and Alternative Communication; Independence; Problem Solving; Work Habits; Safety; Transition; Sensory; Fine and Gross Motor Skills; Physical Health; Medical Care; Personal Care. All SMART Goals in this book have been approved and used in actual teaching situations in general and special education, as well as in home schooling settings. Use these SMART Goals as is, or even better: revise the selected SMART Goals to...
