PIE BOOKS, Japan, 2018. Paperback. Condition: New. Language: Japanese . Brand New Book. Many modern designs have been influenced by designs from the 1980s. This title showcases about 200 items, including posters, CDs, fashion, book covers, packaging for cosmetics and sweets and more. Although the designs remind us of the 80s, they have definitely been upgraded to something fresh and modern. The book is divided into five sections: Cute Punch, New 80s, Techno Pop, Comical Pop, and Neon Dreamy. Cute Punch showcases extremely girly designs with vivid color in a clashing combination that is unique and attractive. New 80s designs are the combination of 80s culture and youth culture. Techno Pop is the original Japanese term referring to music that bands like Perfume or performers such as Miku Hatsune represent. These designs contains geometric shapes that gives a neo-futuristic impression. Comical Pop showcases designs that are high-impact and colorful, like those featuring in American comic design. Last but not least, Neon Dreamy section shows dreamy designs with neon colors. Japanese pop star Kyari-Pamyu Pamyu represents the idea of Neon Dreamy well. The designs might be based on 80s design but their association with pop-celebrities and recreation by young artists makes them something completely new. All designers in this titles are young, talented, up-and-coming artists from over the world. These classic designs evoke nostalgia for those who remember the 80s well, while at the same time making a fresh impression on younger Millennials.
