Pub Date :1998-05-01 Pages: 1998 Publisher: Jilin People title: the challenges of the economy on the island original price: 15 yuan: Wangling Hao. Gao Ying Tong Publisher: Jilin People's Publishing Date: 1998-5-1 ISBN: 9787206029400 Words: Page :1998 -08-01 Edition: Binding: Folio: Product ID: Editor's history is not dating distant events. The reality is not built on air pavilion. The future is a continuation of the history and reality. The reality is that the bridge connected to the history and future. The 20th century is coming to the end of the 21st century is about to begin. At this very moment the turn of the century. people are asking: the future world what Whither? How humans will spend another hundred years? Today. when we stand on a pinnacle of the world. looking back at the human past. touch the pulse of the times. we are only human bloody history anguished. but also for hundreds of years a high degree of development of material civilization and inspired. while the ever-changing in today's world dazzled. The world in the 21st century. whether it is a kind of world? China today with the world secret. regardless of each concerned about China's future and destiny of the people. can not be concerned about the world situation changes. can not be concerned about the enormous changes taking place in today's era. can not be concerned about the world in the world of the future will be how to solve history and reality left them challenging new topics. All countries in the world will be facing a serious challenge: how to have a place in the future on the world stage? How to create a more favorable international...
