Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.

WALLOOMSAC: A ROMAN FLEUVE (PAPERBACK)

Anaphora Literary Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If a novel is a work of prose of some length, this is a novel--but different in that it is more like life, which has no plots and does not reward virtue or punish vice, and in which characters appear and then, if the author doesn't kill them off, remain to the end. Life is messier than Tolstoy and Henry James were willing to admit. Here, in David R. Slavitt's farrago, one thing leads to another but without discernible direction until, at the end, there is a kind of resolution, a vision, however unreliable and approximate, of what the life of the speaker has been. It is a deeply thoughtful book but also laugh-out-loud funny. Like life, if we're lucky. David Slavitt has (herein) written a book about or for which it is impossible simply to write a blurb--a word, it might interest you to know, coined in 1907 by Gelett Burgess. (Did you think of a purple cow, just then?) The text itself is indescribably (deliciously?) itself. Like the Walloomsac River, it just keeps rolling along, taking the reader irresponsibly with it--laughing out loud again and again and again; marveling at its rapid wit (white water?), the wide breadths of its erudition, the dangerous shallows of its overt and covert cheekiness; marking the vertiginous depths of its, yes, wisdom. To make a long blurb short, I haven't had this kind of significant fun since I stayed up til dawn one night in 1962 breathlessly reading *Pale Fire* for the very first time. -R. H. W. Dillard on *Walloomsac: A Week on the River*.
