Brand New Book ***** Print on Demand *****. *Includes pictures *Includes accounts of Nazis escapes *Discusses the question of whether ODESSA actually existed *Includes online resources and a bibliography for further reading Cloak and dagger espionage, assassination, dangerous adventure, and strange deceptions such as the Operation Mincemeat plan wherein the corpse of a Welsh pauper fitted with a uniform and false papers deceived the Nazi hierarchy about the location of the Western Allies first landing in Europe, all constitute as real a part of World War II s kaleidoscopically varied history as battles and clear-cut policies.
