Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

Independent Publisher, United States, 2010. Paperback. Book Condition: New. 259 x 257 mm. Language: English . Brand New Book. t s a story that will make you feel right at home. It began just over a decade ago when Mar Jennings, banker turned author and lifestyle expert, bought a three-story colonial townhouse, becoming the foundation on which his creativity and passion for design began to sprout. He added a simple sixteen-by-ten-foot garage in the rear of the property to complement the home s architectural style and curb appeal. And that was just the beginning. This lot, in the greater downtown Westport, CT, area, seemed to be waiting as well. Originally created as a subdivision in 1921 but left untouched until 1995 when a builder-Rick Benson Company-purchased this intimate property and broke ground to built the 2,000 square foot house. It s now named Rosebrook Gardens, due to the spectacular variety of roses that grace the gardens, and its proximity to the lovely brook which ran through the original property. This was quickly becoming a home-not just a house for him, but for others to enjoy andMARvel. This gracious home was completely decorated and renovated by Jennings to reflect his personal passion for casual luxury and serenity. The property includes breathtaking gardens all designed and planted by the owner. The garden design perfectly maximizes the lot, which is less than a quarter-acre. The interior design and color theme brings the gardens inside, as if mother nature intended it that way. The outdoor offers endless opportunities for entertaining and social gatherings. Now back to the garage, where his design passion first began. Fittingly, it was redesigned as a garden studio in 2002, and is stocked meticulously with the usual outdoor essentials-terra cotta, fresh-cut flowers, potted plants, tools and gardening reference books. Life...
